Summary

Management Information Systems graduate with a strong interest in Cybersecurity, SOC operations, and computer networks. Skilled in threat monitoring, incident analysis, and network fundamentals, supported by academic projects and hands-on training

Career Objective

To obtain an entry-level position in Cybersecurity where I can apply my knowledge of SOC operations, threat monitoring, and computer networks. Eager to contribute to protecting organizational assets while developing practical skills and advancing my professional expertise

Internship Experience

Information Technology Intern – Badr Petroleum Company (Sep 2024 – Oct 2024)

- Learned from engineers in daily IT operations and system maintenance.
- Improved time management and system troubleshooting skills.

Information Technology Intern – Smart Digital Services (Aug 2024 – Sep 2024)

- Supported users in IT helpdesk operations, resolving hardware and software issues.
- Participated in cybersecurity awareness initiatives for staff.

Information Technology Intern – GASTEC (Sep 2023 – Oct2023)

- Assisted with system support, hardware diagnostics, and software installation.
- Enhanced attention to detail and collaboration skills within IT projects.
